

# VINTAGE POSTCARDS

PRESENTED BY  
MagpiePrintables.com

Thank you for downloading these vintage images! I have collected them for years, and cleaned them up for use in crafty projects. I am not the original artist - -and sadly the original artist was not credited in most of these pieces.

## Printing your Images

These have been cleaned and saved at 300 dpi, so they should print well on any home printer capable of producing photo prints. I suggest printing on cardstock at "best" settings - -these also print well on vinyl and glossy papers.

**R**ALLOWEEN  
PRECAUTIONS

If you take ten seeds  
From A pumpkin shell  
And go to the woods  
Where the witches dwell  
Plant them in front  
Of the door in A cross  
You will be rid of them  
Without remorse

'Tis Hallowe'en and I'm here again  
From the man in the Moon in an Aeroplane  
My charms are new and right up to date  
Go tell by the Cards your fortune and fate.

A HAPPY  
HALLOWE'EN

Beware!  
Take care!  
For ghosts  
are seen on  
HALLOWE'EN

Hallowe'en

"Curioser and Curioser"  
Allhallowe'en.

HALLOWE'EN  
GREETING.
