

Circus Box Assembly

1. Print all pages on thick card stock. Cut out all pieces.
2. Cut 2 light cardboard rectangles using the pattern provided. Center each cardboard piece on the back side of a star sheet.

3. Glue in place. Fold the edges up and over the cardboard and glue. Repeat to make 2 box liners.

Circus Box Assembly

4. Add embellishments etc if desired while the box is flat.

5. Fold the edges and table of the box base and top and crease in place.

3. Fold to assemble the box and lid, then glue in place. Glue the liners into the box top and bottom for added stability.
